**HIKING LATER IN LIFE
IS A GREAT WAY TO
MEET NEW PEOPLE.
LAST WEEKEND I MET
2 PARAMEDICS,
3 NURSES,
A CARDIOLOGIST &
I NEARLY MET JESUS!**

HELLO FROM REDBACK

There's nothing quite like the Great British Summer; long days, afternoon drinking and BBQs that somehow always get rained on, despite the inevitable hose-pipe ban. Still, we sit outside optimistically, eating soggy burgers and wearing sunglasses, primarily to protect our eyes from the alarming glare coming from Gary's shirtless body. Bliss... sort of.

In classic British fashion, a brief weather waffle is practically compulsory, lest we tempt fate, but although the skies remain entirely unpredictable, one thing is not; this season's brochure, packed with HOT new designs to feast your ocular nuggets on.

We're thrilled to announce (*insert trumpet noise*) a zesty new range from the artist taking the internet by storm, Ainsley Drew, AKA Lousy Drawings for Good People. Followed (socially, not literally) and adored the world over for her gloriously wonky illustrations, oddball creatures and spicy wordy witticisms, these cards scratch the zeitgeist's itchy bits with an absurdly satisfying pointy stick. Of course, you'll also find a whole parade of new designs gracing the halls of the OG classics, Cloud Nine and Holy Flaps, along with some delicious new Shine and Moji titbits and so much more!

So forget the soggy bums, or whatever Paul Hollywood said - we have a generous dollop of sunshine waiting for you! Your real summer bliss starts here, between the sheets of this pile of papers we call our Summer Brochure.
